We are the future

Looking out on the past.

We are the present

Making old things last.

We are tomorrow

Thinking of yesterday.

We are today

Doing things our own way.

We shall pass through this world

but once and any good, therefore, that

we could do, or any kindness that

we can show to any human being,

let us do it now; let us not defer

it nor neglect it, for we shall

never pass this way again.

ANN-CHRISTINE SALAMIN

The two first things I learned about Pelican Rapids, before I came here, were that it was a Norwegian community and that everyone raised turkeys. That was my really first impression, but now I know otherwise. Anyway, without having to much time to think about it, I was dropped here in Pelican, and three days after that I began school. Then I realized what a big place all of you were going to take during my year here.

Right away, I want to thank everybody for all the smiles I was given, and especially I want to thank all of you who help me so much when everything seemed just impossible! Thank you! This year among you was a very special year for me, a year full of new people, new experiences: a year full of joy!

I hope that Denise and Jean, who are also going to live one of these fantastic AFS experiences, will be as lucky as I was. I also want to say: Switzerland is not so far from here, and if one day some of you decided to make a little trip overthere: I will be waiting for you!

The 1976 Viking football team celebrated this bicentennial year by being the first team to play on the new athletic field. This facility provided the stage for some of the most exciting football games to be seen in Pelican Rapids. The team, a highly responsive and enthusiastically dedicated group, dominated the Heart O'Lakes football scene offensively and finished the season as the leading defensive ball club.

Although the Vikings finished with a second place conference standing, the accomplishments of this team will be long remembered by it's players, coaches, and fans. Another tribute to a job well done.

We, the class of 1977, dedicate our Shada to a man of outstanding personality, endless patience, and unlimited understanding. His wit and good humor have cheered us all, and, through his hard work, patience, and perserverence, he helped us make our junior prom the success it was. It is with all our love and respect that we as seniors dedicate our 1977 Shada to . . . . . Bernard McKigney.

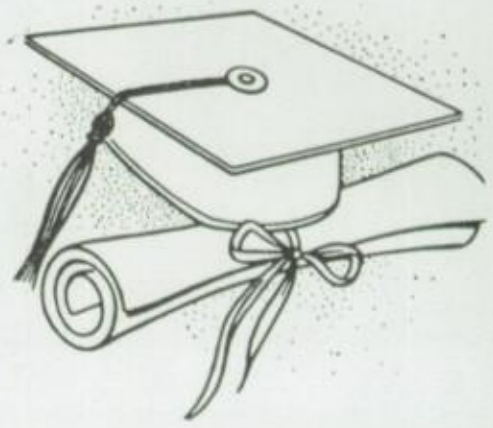
CLASS HISTORY



The fall of 1964 brought together the Senior Class of 1977 for the first time. Scared, we looked around and said hello. Now in the spring of 1977 we may be saying good bye to each other for the last time. For most of us we will be more scared on the last day than on the first. Since then we have enjoyed 12 years of growth, happiness, laughter, and love.

Remember our sophomore year when Mr. Fletcher fired us up with his unique homecoming speech? To lead us on through all our wet homecoming festivities we chose Shannon Rick, Julie Bakken, Mike Martin, and Scott Rudie. as our homecoming attendents. Our fearless class officers were Janice Robley, President; Kris Boese, vice President; Shannon Rick, secretary; Joan Dunham, treasurer, and Julie Sather, student council rep.

Our Junior year was a great challenge. We started out by chosing Kris Boese, Julie Sather, Mike Martin, and David Koethe as our home-coming attendents. We were led by Kris Boese, President; Randy Lindgren, vice President; Julie Sather, secretary; Mike Martin, treasurer; and Robert Westby, student council rep. We sponsored our prom to the theme "Colour My World." Somehow there never seemed to be enough decorating passes, or people to help clean up the next morning. Who would think all those rolls of crepe paper, scotch tape, paper clips, and energy could become the perfect setting for a dance. Altho' we must admit the people helped make it truly memorable. (Some people found the warp in the gym floor left by our fountain really hard to forget.)

Suddenly we were Seniors. No longer could we say someday—for that day had truly come. United, we designed and built our last home-coming float. During homecoming ceremonies we crowned Renee Dutcher queen, attended by Kris Boese, and Janet Rogelstad. Anne-Christine Salamin, our AFS student, was special attendent. They were escorted by Jon Aakre, Rick Evenson, Robert Westby, Mike Martin, and David Koethe. Again, the mighty Vikings were victorious as they defeated the Frazee Hornets during the first homecoming game on our new athletic field. As almighty Seniors we elected Craig Severson, President; Melanie Soberg, vice President; Laurie Johnson, secretary; Julie Sather, treasurer; and Val Johnson, student council rep.; to lead us through our last year at P. R. H. S.

Looking back, we can laugh at our mistakes (remember our seventh and eighth grade floats) and hope we have learned something from them. Somehow, learning together made the experience memorable. Probably one of the most memorable characteristics of our class was the closeness of the class as a whole. Our closeness paid off and we know we have grown close to one another. It is remarkable when you can take that many people, unite them with common interests and make them as close as we are. And we were, and we will be . . . . . .

Close to you forever,
Class of 1977
